

ICAR-CIARI Invites Applications from Entrepreneurs and Start-ups

By Denis Giles / August 2, 2026

Sri Vijaya Puram, Aug. 2: The ICAR–Central Island Agricultural Research Institute has invited applications from entrepreneurs and start-ups with innovative prototypes or Minimum Viable Products (MVPs) in the domain of Farm Mechanization and Post-Harvest Technology.

The programme is designed to provide technology mentoring, incubation, and hand-holding support to help innovators transform promising business ideas into validated, market-ready enterprises. Selected candidates will participate in a two-month incubation programme. The programme welcomes start-up opportunities in areas including island farming technologies, coconut and spice value addition, integrated aquaculture, protected cultivation, organic farming products, and climate-resilient agriculture.

Interested entrepreneurs and start-ups may submit their applications through the following link:
