COMPETITIVE BIDDING TENDER DOCUMENT

Name of the work: Construction of feed godown for Animal Science Division
at Garacharma farm size (12.00 x 8.00 x 4.00m).

General Terms & Conditions:-

1. The tender should be accompanied with Earnest Money Deposit (EMD) of **Rs. 60,900/- (Rupees sixty thousand nine hundred only)** payable through Demand Draft/FDR in favour of the Director, ICAR Unit: CARI, Sri Vijaya Puram. Tenders without EMD will be treated as cancelled.
2. The L1 firm / bidder fulfilling the qualification of past performance, experience, technical competence, financial strength to handle the work successfully will only be selected for award of the contract [(Based on technical bid document Annexure I (A)]. However, the Institute shall have the right to relax general construction experience to develop new contractors and to provide avenues to Sub-Contractors.
3. Work shall be carried out as per the instruction, direction and satisfaction & supervision of Incharge Estate Section / Engineer Incharge and as per the approved specification.
4. The rate should be inclusive of all taxes.
5. The rate shall also include all labours, materials, transportation, tools and tackles etc. as required for completing the work.
6. The work should be started within **10 (Ten)** days from the date of issue of work order failing which the work order shall be treated as cancelled and Performance Guarantee/EMD deposited shall be forfeited on the recommendation of the Incharge Estate Section.
7. The rate may be quoted after inspection of site and clarification of all details from Incharge Estate Section / Engineer Incharge.
8. The work should be completed within **60 (Sixty)** days from the date of issue of work order failing which the work order may be cancelled. Extension of time may be granted to the contractor beyond agreed time of completion of the work under force majeure condition. In case the contractor fails to complete the work within the stipulated/ extended period of time, liquidated damages shall be levied from the contractors @ 0.50% per week, maximum of 10% of the total value of the contract.
9. The Institute will not accept any delay caused by the Contractor due to non-availability of materials or any other local issues etc. Except under natural calamities. The progress of work should be in proportion to the time allocation financially and item wise.

10. The Director shall have the liberty to postpone or not to execute one or more item of work and the contractor shall not be entitled to any compensation for non -execution of such items of work.
11. During execution no change shall be made by the contractor in the approved specifications of the items at site without the consent of Incharge Estate Section.
12. During execution of work, if there is any damage caused to the buildings or any other property of the Institute, the repair charges will be borne by the Contractor.
13. In case of dis-satisfactory work the contract may be terminated at any time and in such case the EMD/ Security deposit shall be forfeited.
14. In case the contractor fails to complete the work within the stipulated/ extended period of time and according to our satisfaction, the Director, CIARI shall have the right to terminate the contract at the cost and risk of the Contractor and get the work done through any other firm or agency. In such case the EMD/ Security deposit of the contractor shall be forfeited.
15. The water as required for construction and curing shall be arranged by the contractor for which no extra payment shall be made.
16. All the materials purchased for repair work by the contractor shall be as per the CPWD/ ISI/ BIS Standards/ specification and got approved by the Incharge Estate Section. In case, if they fails to get approved items or fixed substandard item, it shall not be considered for payment.
17. The contractor shall not be provided any store for storing of the construction materials and their tools. However, a site will be given temporarily to construct a store in CIARI Complex. The store should be dismantled immediately after handing over the structure/ buildings to the Institute failing which the bill will not be processed for release of payment.
18. Quantity of work may be increased or decreased according to the actual need of work and hence deviation of work shall be undertaken as per quoted rate without asking any compensation.
19. The contractor should ensure that awarded work should be completed within the prescribed time limit.
20. All the materials wherever required have to be stocked at site as per the instructions of the Engineer Incharge of the Section before commencement of work. The firm should submit a copy of the bills of above items purchased to the Engineer Incharge whenever demanded. In case, the contractor fails to stock the materials and produce the bills, their work bill may not be processed for payment.
21. When the construction/repair/painting work is going on, the contractor has to depute an experienced site engineer/supervisor or he himself has to be present at work site everyday till the work is completed. The contractor has to inform the Incharge Estate Section every day in advance over phone or through any other means about the work program of next day. In case the contractor fails to comply with the above, the cost of Site Engineer / supervision shall be deducted as per the rate of highly skilled worker of Andaman & Nicobar Administration from the bill of the contractor. This deduction will be done whenever the Contractor has not deputed the above.
22. The contractor has to deposit **3%** of the tender value of the contract through Bank Guarantee / Demand draft / Fixed deposit towards proper performance of the contract after acceptance of tender and the same shall be kept as security deposit and may be released after **01 (One year)** of successful completion of work and will be treated as guarantee for successful performance of completed works.

23. An amount equal to 10% of value of work completed (inclusive of 3% performance guarantee) shall be deducted from the bill of the contractor as security deposit and shall be released after 01 year of successful completion of work.
24. The contractor has to pay minimum wages as per the rate of Government to their labour force engaged for tendered work.
25. The standard deduction such as Income tax, GST and other fares / rates etc. imposed by the Government time to time shall be deducted from the bill of the contractor.
26. After completion of the work within 1 year, if any defect, or damage or poor workmanship is noticed, the same shall be rectified by the contractor, within 10 days failing which the Security deposit shall be forfeited.
27. The Director, CIARI, Sri Vijaya Puram reserves the right to accept or reject any or all the tenders without assigning any reason thereof and the decision of the Director, CIARI, Sri Vijaya Puram shall be final and binding to all concerned parties.
28. The Director, CIARI, Sri Vijaya Puram shall be the sole arbitrator for all disputes between the contractor and Institute. The decision of the Director shall be final and binding to the both the parties. All disputes shall be subject to the jurisdiction at Sri Vijaya Puram.

Bidders guidance for Online Bid Submission

As per the directives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal (URL: <http://eprocure.gov.in>). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submit their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>

REGISTRATION:

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link "Click here to Enroll" on the CPP Portal is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective, "My Tenders" folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.

2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid documents may be scanned with 100 dpi with black and white option.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

1. Bidder should login to the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. The Bidder has to select the payment option as "Offline" to pay the EMD as applicable and enter details of the instrument.
4. The Bidder should prepare the EMD as per instructions specified in the tender document. The Original should be posted /couriered/ given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
5. A standard BOQ format has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bid in the format provided and no other format is acceptable. The bidders are required to download the BOQ file, open it and complete the white coloured (unprotected cells with their respective financial quotes and other details (such as the name of the bidder). No other details should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the file name. If the BOQ file found to be modified by the bidder, the bid will be rejected.
6. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
7. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids are maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done.
8. The uploaded tender documents must become readable only after the tender opening by the authorized bid openers.

9. Upon the successful and timely submission of bids i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
10. Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

ASSISTANCE TO BIDDERS

1. Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority or the relevant contact person indicated in the tender.
2. Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 1204200462

General Instructions to the Bidders

1. The tenders will be received online through portal <https://eprocure.gov.in/eprocure/app>. In the Technical Bids, the bidders are required to upload all the documents in pdf format.
2. Possession of a Valid Class II / III Digital Signature Certificate (DSC) in the form of smart card / e-token in the company's name is a prerequisite for registration and participating in the bid submission activities through <https://eprocure.gov.in/eprocure/app>. Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the website <https://eprocure.gov.in/eprocure/app> under the link "Information about DSC".
3. Tenderer are advised to follow the instructions provided in the "Instructions to the Tenderer" for the e-submission of the bids online through the Central Public Procurement Portal for e- Procurement at <https://eprocure.gov.in/eprocure/app>

7.1	Nominal concrete 1:3:6 or richer mix (including equivalent design mix)	4.20	Cum		
8.	Centering and shuttering including strutting, propping etc. and removal of form for				
8.1	Foundations, footings, bases of columns, etc. for mass concrete	64.80	Sqm		
9.	Steel reinforcement for R.C.C. work including straightening, cutting, bending, placing in position and binding all complete upto plinth level.				
9.1	Thermo-Mechanically Treated bars of grade Fe-500D or more.	490.00	Kg		
10.	Providing and laying of Solid Blocks masonry with 40x20x20 cm Solid block laid in 1:6 Cement mortar all Complete.	25.85	Cum		
11.	Providing and laying of Solid Blocks masonry with 40x15x20 cm Solid block laid in 1:6 Cement mortar all Complete.	4.90	Cum		
12.	Providing and laying of Solid Blocks masonry with 40x10x20 cm Solid block laid in 1:6 Cement mortar all Complete.	0.40	Cum		
13.	12 mm cement plaster of mix :				
13.1	1:4 (1 cement: 4 coarse sand)	515.00	Sqm		
14.	Cement concrete flooring 1:2:4 (1 cement : 2 coarse sand : 4 graded stone aggregate) finished with a floating coat of neat cement, including cement slurry, but excluding the cost of nosing of steps etc. complete.				
14.1	40 mm thick with 20 mm nominal size stone aggregate	88.20	Sqm		
15.	Providing wood work in frames of Doors, Windows and other frames, wrought framed and fixed in position with hold fast lugs or with dash fasteners of required dia & length (hold fast lugs or dash fastener) shall be paid for separately.				
15.1	kiln seasoned and chemically treated hollock wood , Toungepine, Pima ,Black Chukulam , Kokko, Neem, Mahogany	0.36	Cum		
16.	Providing and fixing panelling or panelling and glazing in panelled or panelled and glazed shutters for doors, windows and clerestory windows (Area of opening for panel inserts excluding portion inside grooves or rebates to be measured). Panelling for panelled or panelled and glazed shutters 25 mm to 40 mm thick.				
16.1	Float glass panes				
16.2	4 mm thick glass pane (weight not less than 10 kg/sqm).	5.00	Sqm		
17.	Supplying and fixing new wooden fillets wherever necessary:				
17.1	Hollock wood fillets	35.00	Metre		
18.	Supplying and fixing rolling shutters of approved make, made of required size M.S. laths, interlocked together through their entire length and jointed together at the end by end locks, mounted on				

	specially designed pipe shaft with brackets, side guides and arrangements for inside and outside locking with push and pull operation complete, including the cost of providing and fixing necessary 27.5 cm long wire springs manufactured from high tensile steel wire of adequate strength conforming to IS: 4454 - part 1 and M.S. top cover of required thickness for rolling shutters.				
18.1	80x0.90 mm M.S. laths with 0.90 mm thick top cover	9.00	Sqm		
19.	Providing and fixing precoated galvanised iron profile sheets (size, shape and pitch of corrugation as approved by Engineer-in-Charge) of total coated thickness 0.50 mm (base metal of minimum 0.45 mm thickness with total coating thickness of 0.05mm) with zinc coating 120 grams per sqm as per IS: 277, in 240 mpa steel grade, 5-7 microns epoxy primer on both side of the sheet and polyester top coat 15-18 microns. Sheet should have protective guard film of 25 microns minimum to avoid scratches during transportation and should be supplied in single length upto 12 metre or as desired by Engineer-in charge. The sheet shall be fixed using self drilling /self tapping screws of size (5.5x 55 mm) with EPDM seal, complete upto any pitch in horizontal/ vertical or curved surfaces, excluding the cost of purlins, rafters and trusses and including cutting to size and shape wherever required.	145.00	Sqm		
20.	Providing and fixing precoated galvanised steel sheet roofing accessories of total coated thickness 0.50 mm (base metal of minimum 0.45 mm thickness with total coating thickness of 0.05 mm) with Zinc coating 120 gram per sqm as per IS: 277, in 240 mpa steel grade, 5-7 microns epoxy primer on both side of the sheet and polyester top coat 15-18 microns using self drilling/ self tapping screws complete :				
20.1	Ridges plain (500 - 600mm)	14.50	Metre		
20.2	Barge board (Upto 300 mm)	19.20	Metre		
20.3	Gutter (600 mm over all girth)	28.00	Metre		
21.	Providing and fixing of aluminium wind tie of aluminium flat 50x6mm with required screws all complete.	76.00	Metre		
22.	Providing and fixing on wall face unplasticised Rigid PVC rain water pipes conforming to IS : 13592 Type A, including jointing with seal ring conforming to IS : 5382, leaving 10 mm gap for thermal expansion, (i) Single socketed pipes.				
22.1	75 mm diameter	10.60	Metre		
23.	Providing and fixing unplasticised -PVC pipe clips of approved design to unplasticised - PVC rain water pipes by means of 50x50x50 mm hard wood plugs, screwed with M.S. screws of required length, including cutting brick work and fixing in cement mortar 1:4 (1 cement : 4 coarse sand) and making good the wall etc. complete.				
23.1	75 mm	8.00	Each		
24.	Steel work in built up tubular (round, square or rectangular hollow tubes etc.) trusses etc., including cutting, hoisting, fixing in position and applying a priming coat of approved steel primer, including welding and bolted with special shaped washers etc.				

	complete.				
24.1	Hot finished welded type tubes	3,850.00	Kg		
25.	Structural steel work in single section, fixed with or without connecting plate, including cutting, hoisting, fixing in position and applying a priming coat of approved steel primer all complete.	225.00	Kg		
25.1	Providing and fixing bolts including nuts and washers complete.	80.00	Kg		
26.	Providing and mixing water proofing material in cement concrete work /cement plaster as per manufacturer' specification.	23.00	Kg		
27.	providing and applying white colour smart care damp proof or approved equilent make and applying one or more coat on cement plaster surface as required all complete.	195.00	Sqm		
28.	Finishing walls with Acrylic Smooth exterior paint of required shade :				
28.1	Old work (Two or more coat applied @ 1.67 ltr/ 10 sqm) on existing cement paint surface	195.00	Sqm		
29.	Distempering with 1st quality acrylic distemper (ready mixed) having VOC content less than 50 gram/litre, of approved manufacturer and of required shade and colour all complete to achieve even shade and colour :				
29.1	New work (two or more coats) over and including water thinnable priming coat with cement primer having VOC content less than 50 gram/litre	105.00	Sqm		
30.	Painting with synthetic enamel paint of approved brand and manufacture to give an even shade :				
30.1	Two or more coats on new work	120.00	Sqm		
				Total
